LIVE...Avalon Park is an 1,860-acre neighborhood located in southeast Orange County, nestled next to the serene, natural surroundings of the Econlockhatchee River. Avalon Park has 240 acres of wetlands, 400 acres of upland preserve, 250 acres of man-made lakes, walking/biking trails and a pool with cabana located in the heart of each village.

LEARN...Avalon Park partnered with county governments to meet the needs of a growing student base. The schools are not only there to teach but are the building blocks of this community and offer residents the ability to have their children close to home.

WORK...At the heart of the community Avalon Park's Town Center brings convenience home with necessities, like medical offices, schools, supermarket, gas station, dining and shopping. All within only a short walking distance from home.

PLAY...Stretch yourself and your imagination across a community filled with natural amenities, recreational amenities, even a Regional Park. Ballplayers will find soccer, baseball and football fields, tennis and basketball courts. Outdoor lovers have miles of sidewalks for biking and a dog park.
